We are sorry to hear you have been involved in an accident. We value our employees and would like to assist you in finding options for receiving timely medical treatment.

The providers listed below are options to aid in your search for a doctor.

It is important to know that as an injured worker you have the right to choose your own doctor. If you choose a doctor who is not listed below be certain that your doctor accepts workers' compensation.

- **Concentra Urgent Care**
<http://maps.concentra.com/corporate/> or call 866-944-6046
